

TO WHOM IT MAY CONCERN

Date: 06.09.2016

Subject: REACH.

Dear Sirs,

Further to your request concerning the regulation CE 1907/2006 "REACH", we herewith declare that the products we supply to your company comply with the above-cited regulation, even with regard to dangerous chemicals.

Consequently, both for the substances eligible to enter into the Annex XIV and those already listed in the Annex XVII, our company is complying and will keep on complying with the limits fixed by the regulation in force.

Moreover we inform you that: "As downstream user, our company has no obligation of pre-registration or registration and is anyway fulfilling the requirements set by the European Regulation 1907/2006 "REACH".

We will continue supplying our goods with commercial characteristics and employment possibilities proper to your needs and in compliance with the current regulations.

Best regards,

Futura Leathers SpA
