Board

This fine woven melange-coloured textile is in the Textaafoam Timeless Collection. This collection features all our creative essentials. Fabrics that offer the best value for money and suit every style all year round.

Yarn dyed, woven on a dolby loom and still one of Textaafoam best-sellers through the years. Strong, suitable for all types of furniture, tight or loose fitted or even buttoned furniture, they all look great with Board. Due to the needle punch coating, it gives a full, woolly and comfortable handfeel. Also perfect to combine with other Textaafoam originals. Board is machine-washable at 30 degrees Celsius and available from stock in an enormous wide, modern and commercial colour line of 49 Colours.

- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.
